The topic about her being more mature when she get into university is as expected

As soon as she graduate High school, she got married. And became a housewife - former Mishira-san

(well... she is mrs Yamada now...)

As everything from their cohabitation room to paperworks had been prepared, families from both sides as well as friends were eagering waiting for them to graduate...

(poor guy, so much pressure...)

(*) Yamada

No credit page but hell, i will spam in Jin sensei's pixiv page for a continuation of this work everytime i drop by co congratulate a Black general chan new volume being published... Or die trying...
